

# SAF-INSIDE® FRAME FOR SLIDING POCKET DOORS

MANTION Innovation:  
Reinforced Frame Box

## **SOLID:**

Vertical opening reinforcements for higher inertia making the Manton frame box one of the most robust on the market

## **VERSATILE:**

For single or double doors, made of wood or glass  
Motorised system available on request

## **SILENT:**

Resulting from many hours of design and testing, our new fittings provide unmatched effortless and silent movement (100,000 cycles guaranteed!)

## **CONVENIENT:**

Door stop (adjustable clamping force) allowing you to lock the door in open or closed position  
Optional soft-close damper system

## **SAVE SPACE:**

**MANTION**  
HERCULE® - SPORTUB® - MINISPORT®
